

## FIRE DEPARTMENT STATISTICS

Firehouse Magazine proudly presents its 28<sup>th</sup> annual Volunteer Run Survey. For this year's survey, we received responses from volunteer fire departments in 33 states and one Canadian province. Listed here is a sampling from around the country.

Departments are listed alphabetically by name and state to make them easy to find. The EMS service listed for each department is the highest level provided.

We thank the fire departments that participated in this year's survey.
