

2016 Volunteer Run Survey

Firehouse Magazine proudly presents its 29th annual Volunteer Run Survey. For this year's survey, we received responses from volunteer fire departments in 39 states. Listed here is a sampling from around the country.

Departments are listed alphabetically by name and state to make them easy to find. The EMS service listed for each department is the highest level provided. We thank the fire departments and fire chiefs who participated in this year's survey. If your volunteer department would like to participate next year, please visit firehouse.com/annual-run-survey.
