

WFD Incident Critique Report

This sheet is to be filled out after an incident by the IC or Operations Chief. The purpose of this sheet isn't to discourage team members but to allow the department to learn as a whole from fireground mistakes and successes. The Training Officers will generate training based on issued identified within this critique.

Type of Incident _____

Location of Incident _____

Incident Commander _____

Date _____

Command: (Clearly announced upon arrival, stationed on A-side of incident, Safety/Operations/Staging/Accountability Officers assigned?)

Apparatus: (Correct response, correct placement, safety measures taken?)
